

Fig. 2

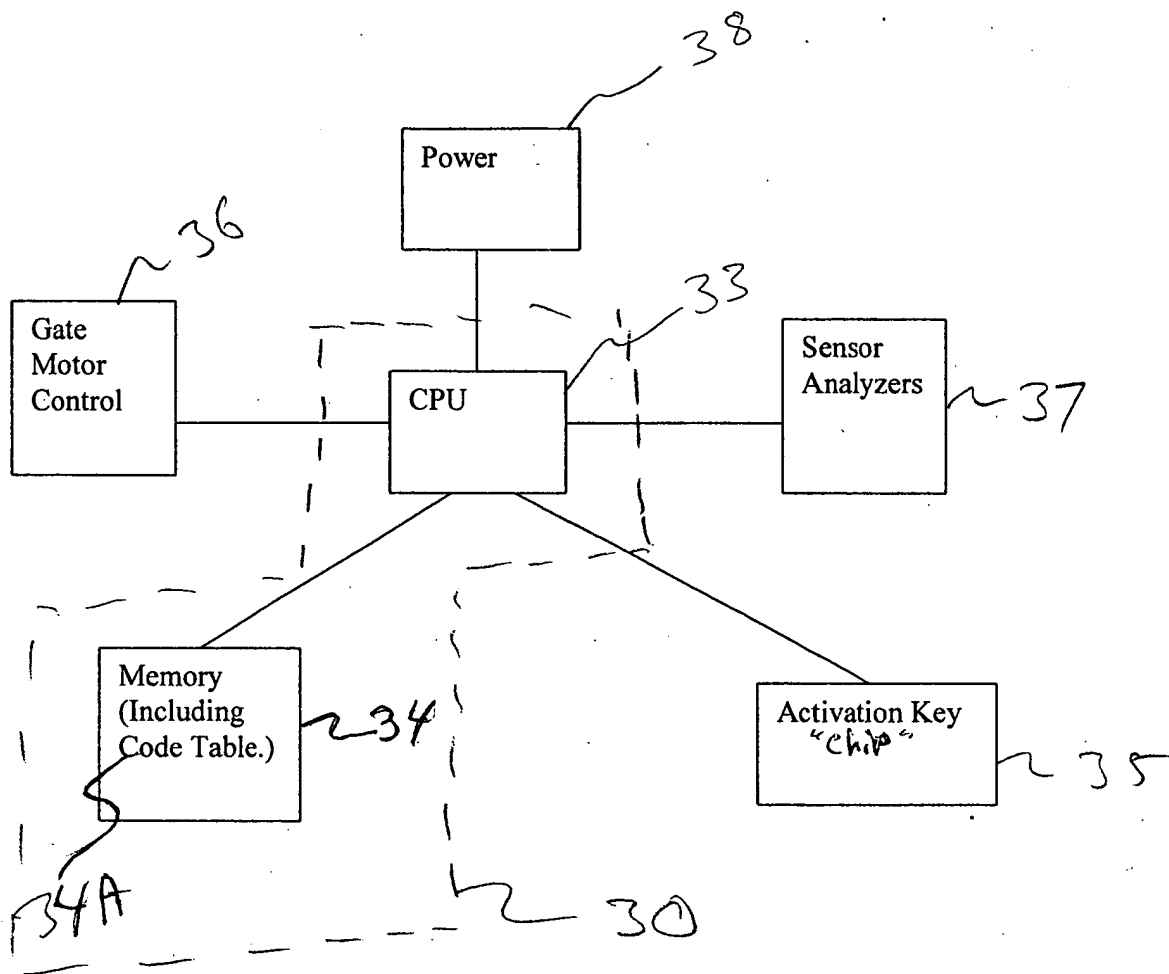

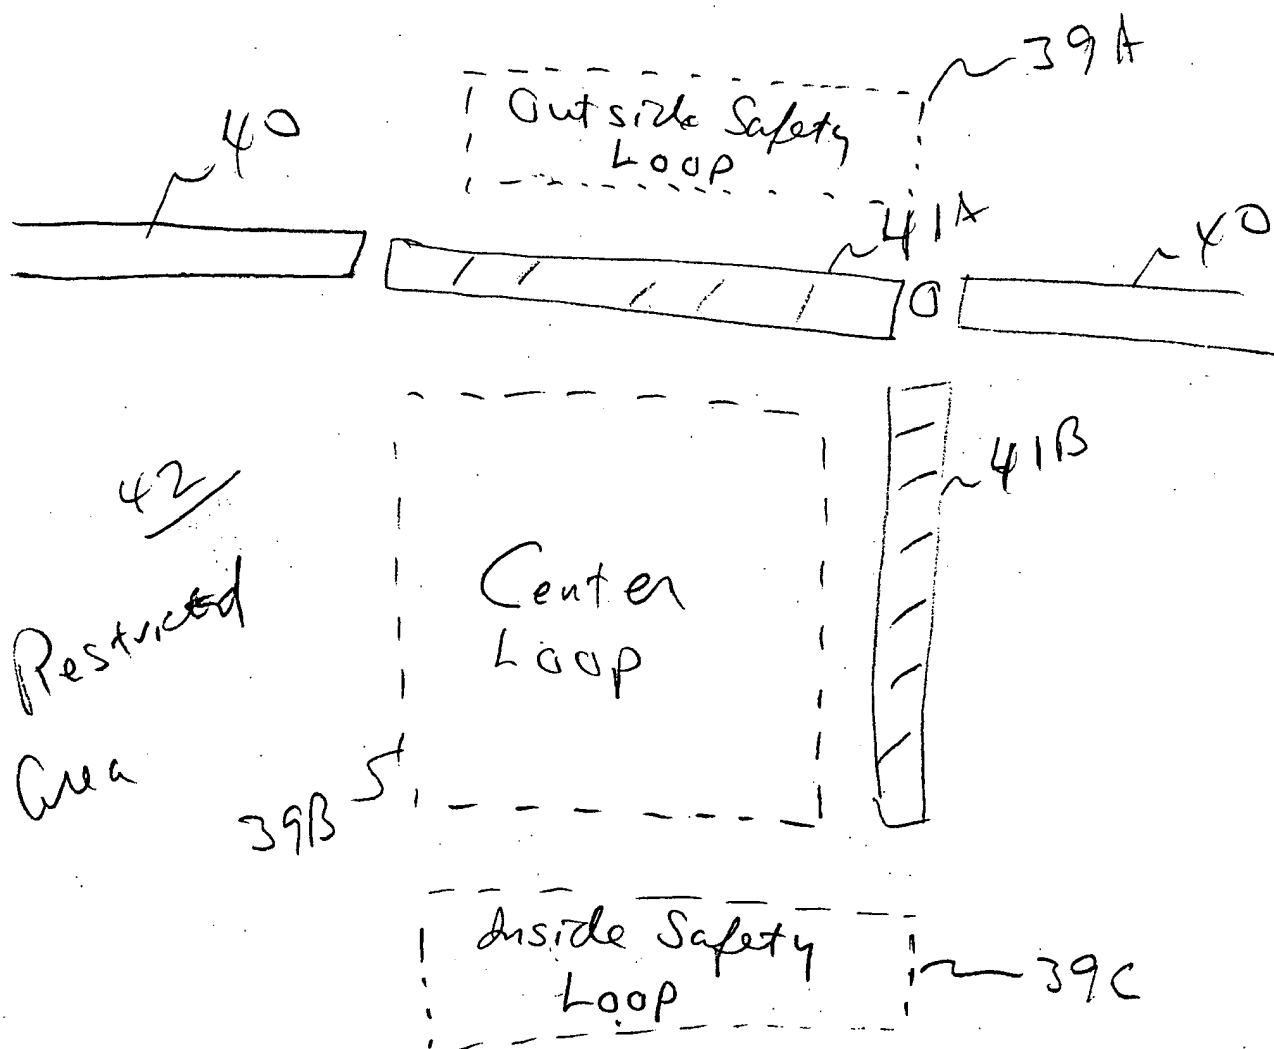

Fig. 2 A

A hand-drawn diagram of a Restricted Area. At the top, a dashed rectangle is labeled "Outside Safety Loop" with a bracket pointing to it labeled "43A". Below this, two horizontal bars represent barriers. The left barrier is labeled "40" with a bracket. The right barrier is labeled "40" with a bracket. Between the barriers, a small horizontal bar is labeled "44" with a bracket. Below the barriers, another dashed rectangle is labeled "Inside Safety Loop" with a bracket pointing to it labeled "43B". In the bottom left corner, the text "Restricted Area" is written, with "42" underlined below it.
